Washington Township Recreation hosted a Little Bakers Workshop for 5- to 10-year-olds at the Senior Center in Long Valley. The children explored baking, decorating and making creative and delicious treats. Then, to the delight of their families, everyone brought home their creations to sample. It sure looked like a few Cake Bosses were born!

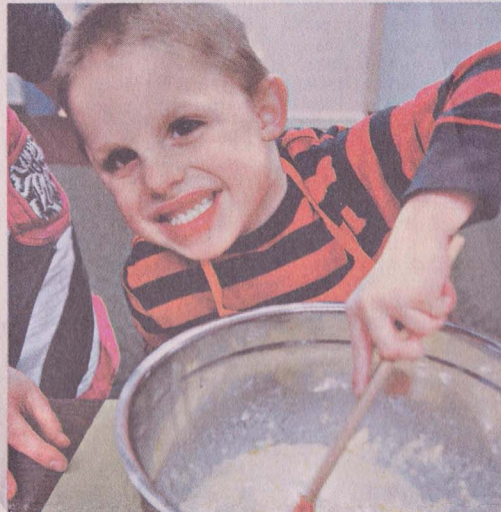

Fun and learning and treats were had by all.

Five-year-olds Alexandra Mancini, left, and Amanda Seabek, both of Washington Township.
